Must! Youth Board Application

What it takes to be a Youth Board Member: Youth Board members are high school students, ranging from sophomores to seniors, eager to get more involved in their community. By serving on the board, these students gain valuable insights into various organizations in SLO County and those who have collaborated with Must! Charities. They then share the knowledge acquired through volunteer projects and MYB meetings with their peers and beyond.

Youth Board Mission Statement: Must! Charities' Youth Board is a group of local high school students making a positive difference through learning and growing their confidence as philanthropists. We empower our Youth Board to work collaboratively as they volunteer, research, and dedicate themselves to impacting some of the greatest needs in our community.
